Rocky Mountain Chapter

Attention Rocky Mountain Chapter ASSP Members

The Rocky Mountain Chapter needs your help and your expertise! It is time to begin the process of nominating potential officer candidates for our next Chapter fiscal year, which begins on July 1st. Consider serving your Chapter by running for an open officer position or volunteering to serve on one of our many committees. You can help determine the direction of our Chapter and assist with bringing meaningful, high-quality education and technical tours to the Rocky Mountain Chapter members. You can also earn additional points towards maintaining your professional certifications.

The following chapter offices are open (click on the specific office for a detailed description):

- [Vice President](#)
- [Secretary](#)
- [Treasurer](#)

*It is important to note that the Vice President position is a two-year commitment: One year as Vice President, and one year as Chapter President. Once the Vice President's term ends, that person will serve another year as our chapter President.

If you, or someone you know, is interested in running for an elected position or simply volunteering to assist with any other aspect of our Chapter operations, please submit your name and a biography to the [Nominations & Elections Chair](#)

The nomination period will close on February 28th. The names and biographies of all candidates will be posted on the Chapter website on March 1st. The voting period will be open from April 3rd through April 17th, and the new officers will be announced by April 21st.

If you have any questions, please email the [Nominations & Elections Chair](#).

Thank you for being a member of the Rocky Mountain Chapter of the American Society of Safety Professionals!
